

Southbroom Bowling Club Newsletter

Dear Bowlers,

1. Congratulations to the two men's fours teams who won their sections in the KBA Men's Fours. Good luck at The Bell today!
2. Thanks to Rhett for taking on the website, to Paul Michau for donating varnish for the new shelters, to Malcolm for fixing the old mower, Glyn and Nashua for arranging a new noticeboard, Tony for updating the honours boards, to Deks for his input on acoustics engineering, and to Southbroom residents Chris and Jo Leddon for donating ceiling fans and champagne glasses. Thanks especially to an unsolicited donor - you know who you are.
3. An architect has been consulted to see what is possible in respect of enlarging the area of the bar itself, possibly the terrace, and of improving the acoustics.
4. The green benefited from the rain and now requires warmth. Reopening remains on schedule for 1 November, subject to the greenkeeper's discretion.
5. The draws for the drawn pairs comps will take place on Friday 29th October. Make sure to get your names down. They will need to be completed before the Christmas lunch – usually held on 16th December.
6. The weekend of 3rd, 4th/5th December has been set aside for the Handicap Singles. Please make sure that your name is down.
7. The district Sevens comps run from 1st to 5th November. If you are willing to be called on as a reserve at short notice, please let Glyn or Heather know. To get seven players fit and well five days in a row often requires a miracle.
8. The pub will be open Mondays and Fridays at 4.30 while the green is closed.

That's it for now,
Julie
