

Southbroom Bowling Club Newsletter - March 2022

Dear Bowlers,

1. Congratulations to:
 - Glenn & Helen on their fine victory in the KBA Mixed Pairs
 - Eileen Burt on a gold medal with the Veteran Ladies' Inter-Districts
 - Ian Hunter on a bronze in his first KBA Novices
 - Cleve & Chris and Tony & Glenn on winning their sections in the KBA Men's Pairs – knockouts still to be played due to inclement weather
 - Mark Kassner on winning the club's Novices' title for 2022.
2. Thanks to: Cleve for levelling the seats on the bank and for fetching new fertilizer – the green looks fantastic; to Heather for tidying the library area; Rhett for keeping up the web site; and to all who have volunteered to help in the bar. Please check for and return any bar keys – we are a couple of sets short. Safe travels to Glenn and Sue; Malcolm and Heather will take over the bar and house-keeping in their absence.
3. I shall be ordering more shirts; let me know the required size in inches.
4. Improvements to the club remains work in progress. We are downscaling the original scope and looking at the options.
5. Can anyone arrange the varnishing of the “smokers” table?
6. A plea – if you play a game outside of the usual tabs times, please replace your tab on the board and leave a note to explain where the money came from. This is to avoid confusing the tabs-master.
7. Good luck to our five trips' teams in the KBA comps this weekend.
8. Please pick up your BSA membership cards from behind the bar – especially the Tuesday players.
9. Chicken & egg this Friday followed by a braai: own meat and a salad to share.
