

Southbroom Bowling Club Newsletter – April 2022

Dear Bowlers,

1) Congratulations to:

- The players victorious in the KBA Men's Second League. We have gone from no league team three years ago to the First League in as many years.
- Heather, Julie and Brigitte for winning silver in the KBA Ladies' trips.
- Tony and Osie for reaching the semis of the KBA Men's Pairs (next round 10th June)
- Cleve and Chris for winning their section of the round robin

2) Please welcome new members Dawn Fraser, Hylton Cannon and Ian Kemp.

3) Use of the green has been granted for the All KZN Pairs on both Saturday 4th and Sunday 5th June. Thanks to Graham Fisher for volunteering to umpire on one day. Is anyone willing and available to umpire the other? The club also needs a coordinator to provide teas and lunches. It is envisaged that the lunches will be pre-ordered and collected from one of the local suppliers, but this will still require someone to organize. Please let me know if you can help.

4) A new freezer is to be purchased, the current one being unreliable. If you have any contacts, please speak to Graham Fisher.

5) Thanks to Cleve for getting the outside lights repaired.

6) I have placed an order for new men's shirts. You need to email or whatsapp me with your specific request or I might forget when they arrive. There is still a stock of ladies' shirts.

7) A quick heads up: the Walkers will be leaving Southbroom as soon as their house is sold. It's a great opportunity to get new people onto the committee and keep the club strong. Even if you have served elsewhere before (and are saying never again) I believe that there is an obligation to offer some level of service to your club – albeit the bar, greenkeeping, maintenance, committee, secretarial, admin etc. Please do not refuse to help. Other than for Elliot, the club exists entirely on the efforts of volunteers.

8) Upcoming events

May

Sunday 15th

Hibiscus Brokers Ultrapairs

Tuesday 17th

Tiago's Men's Trips

Friday 20th

JL Panelbeaters' Men's Fours
