

Southbroom Bowling Club Newsletter – July 2023

Dear Bowlers

- 1) Congratulations to: Glyn on reaching the semi-finals of the KBA Veterans' Singles; Vernon on reaching the last eight; Glenn on winning his section. To the Men's 4th League on winning it and gaining promotion to the third league. Tony Waters and Helen Proctor on winning the club's singles championships; runners up were Vernon Clements and Sue Hatfield. Good luck to Glenn and Eileen in the All KZN Singles this weekend. After a sterling fund-raising effort, Southbroom had two winners in the KBA Community Draw: Ren and Nora. The sponsorship of the Pyramid Bowls prizes by Hibiscus Brokers will revert to cash until further notice. Big thanks to Dave Campbell for making a lovely In Memoriam board; much appreciated. Big thanks also to Rhett for donating a spare inverter to the club – enough to run the till and some lights. Thanks also to Bob Dudley, Hein Bester and the Glen Carlou Wine Estate, and to the Entertainment Committee and Adrienne and Brian Rogers, for organising such a great wine-tasting evening.
- 2) The quiz evening has already attracted seven teams of four – room for some more. R100 per player including delicious hot food. Please contact Mandy directly. Prize-donations would be appreciated – nothing costly. We play for fun.
- 3) The Entertainment Committee has made two proposals: that the club obtain a tv set ahead of the Rugby World Cup, and that the Rogers present a restaurant-standard dinner open to anyone once a month. A sponsor has volunteered to pay for the bricking up of the west window to give more wall space. The committee has agreed to a trial run with a television for big sporting events, and to the pop-up restaurant concept.
- 4) Cleve was invited to meet representatives from Southbroom's golf and tennis clubs with a view to organising a four-sport team tournament) including a run/walk) to be held on 22nd, 23rd and 24th September. Tennis would be on the Friday night, bowls on the Saturday, and the run/walk and golf on Sunday morning followed by a concert aimed at the whole village. Format still to be determined but we probably need 24 participants – please support! Another objective is to improve coordination of events (ie avoid clashes), and to discuss reciprocity for members of any of the clubs at any of the others.
- 5) Upcoming events:

Friday 21st July	JL Panelbeater's Men's 4s
Saturday 22nd to Mon 24th	KZN Singles
