

Southbroom Bowling Club Newsletter – June 2024

Dear Bowlers,

- 1) Thanks to: Rhett, for putting up the new optics and laminating; Cleve for fixing the ladies' loos; the Hunters for organizing labels for the flipboards.
- 2) Congratulations to: Glenn, on his bronze in the KBA Singles and the club's singles title; Mal Sheppard on winning the ladies' club singles; Eileen on making the quarter-finals of the KZN Singles and on being appointed convenor of the KBA Selectors; Helen, on being appointed the club's player representative to the KBA. Good luck to all our KBA triallists this weekend: Monica, Marlene, Eileen, Helen, Fawzia, Mo, Dave, Vernon and Glenn.
- 3) Welcome to our new member Hannelie Brauteseth.
- 4) A Finals Weekend is proposed for 21st and 22nd September for all the club's drawn and nominated pairs competitions. The trophies will be awarded at the annual general meeting on Friday 27th September.
- 5) Can anyone repair the seats and handrail on the east bank?
- 6) With effect from Monday 1st July, Monday tabs will be 18 ends. This is in line with most KBA comps: how often do we hear/say that we lost on the last end? No more! It's also a cue to get on with play – be ready to bowl and measure promptly.
